Media Consent: Rainbow DJ Lab, Ras Tafari Inc.

I am the parent or legal guardian of the child named on this registration. By checking the boxes above, I give Ras Tafari Inc. permission to photograph, video record and/or audio record my child during Rainbow DJ Lab activities, and to use those images and recordings, without payment, to describe and promote the Rainbow DJ Lab, Full Spectrum at Rainbow Beach, and the nonprofit work of Ras Tafari Inc. This may include its websites, social media, printed materials, reports to funders, and presentations to the Chicago Park District.

Ras Tafari Inc. agrees that: 1. It will **never** publish my child's last name, school, home address, or any other information that would help a stranger locate my child. 2. It will use my child's first name only if I checked that box. 3. It will not sell images or recordings of my child or give them to anyone for advertising. 4. It will not use images in a way that would embarrass my child, and it will remove any image I or my child object to. 5. It will not use facial recognition or any biometric processing on images of my child.

I understand this consent is **optional** and that refusing it will not affect my child's participation.

I understand I may **withdraw this consent at any time** by contacting Stephen Henry (414-909-3279, stephen@selassiefest.com). After I withdraw, Ras Tafari Inc. will make no new uses of my child's images or recordings and will remove them from websites and social media accounts it controls. Materials already printed or distributed before my request may not be recallable.

This consent lasts until I withdraw it or until the end of the season in which it was given, whichever comes first. It must be renewed each season.
