Digital Tracking Consent: Rainbow DJ Lab, Ras Tafari Inc.

I am the parent or legal guardian of the child named on this registration.

In-class app activity. By checking this box, I consent to Ras Tafari Inc. recording my child's first name and last initial, station, check-in time, and in-class activity (prediction, challenge level, self-rating, "Next time I'll..." line, "Data!" count and Mix Log), plus Passport stamps and coach notes, in the Rainbow DJ Lab class app. I understand that this information is visible to anyone who has my child's class code, which is shared only with enrolled families.

Recap emails. By checking this box, I ask Ras Tafari Inc. to email me a short recap after each class at the email address on my registration.

I understand that: 1. For children under 13, this is my verifiable parental consent under the Children's Online Privacy Protection Act (COPPA). The Lab collects only the limited information described above. 2. Ras Tafari Inc. stores this information with its service providers: Supabase (database), Resend (email), and GitHub Pages (website hosting). It does not sell or share my child's information, show ads, use tracking pixels, collect biometrics, or track location. 3. Child activity data is deleted **within 90 days after the season ends**, unless I ask Ras Tafari Inc. to keep my child's Passport. 4. If there's a data breach affecting my information, I'll be notified without unreasonable delay, as required by the Illinois Personal Information Protection Act (815 ILCS 530). 5. I may **review, correct or delete** my child's information, or **withdraw this consent at any time**, by contacting Stephen Henry (414-909-3279, stephen@selassiefest.com). Withdrawing will not affect my child's participation.
